DETAILED ACTION

Response to Arguments

Applicant has cancelled all the claims that were rejected to in the previous Office Action. These rejections have been withdrawn accordingly. The applicant additionally has amended the specification in order to overcome the objection of the previous Office Action and the objection has been withdrawn accordingly.

Allowable Subject Matter

Claims 8-13 are allowed.

The reason for allowance was indicated in the previous Office Action.

Specifically, in an updated search, the prior art was found to not teach or make obvious a the limitation of impregnating a polymer with a *vaporous halogen* in the absence of a volatile organic compound in combination with exposing the impregnated polymer to a pyrrole-containing monomer vapor in order to form a conducting polymer composite.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
